**Several Resmini Attorneys Selected for  
2023 Super Lawyers and Rising Star Lists**

Super Lawyers®

2023

Super Lawyers®

RISING STARS 2023

The lawyer who wrote the book has once again made the list of top attorneys in Rhode Island and Massachusetts.

**Super Lawyers** - a respected legal guide published annually by Thomson Reuters - recently released its 2023 list, once again giving Ronald J. Resmini the "Super Lawyer" designation. Andrew and Adam Resmini were also selected to the highly prestigious "Rising Stars" list. Up to five percent of lawyers in the state are named to the Super Lawyers list. Rising Stars - which recognizes attorneys who are under 40 or in practice for fewer than 10 years - is a bit more competitive, with no more than 2.5 percent named.

"We are truly honored to once again be included in this prestigious listing of top attorneys in our area," said Ronald J. Resmini. "Our family is committed to fighting for the families in our communities. To be recognized for that work is just icing on the cake."

The rigorous selection process for both lists includes independent research, peer nominations, and peer evaluations. Candidates are evaluated on a dozen categories of professional achievement, some of which include:

- Settlements and verdicts
- Representative clients
- Special licenses and certifications
- Pro bono work

## Resmini Law Honors Veterans

As our area gets ready to host the Army/Navy Game at Gillette Stadium this weekend, we once again want to thank all of those who serve our nation.

This past Veterans Day, Ron - a veteran himself - shared his thoughts on what makes veterans so special and why we should all take the time to thank those who have sacrificed so much for our country.

## SEASONAL THREAT: SLIP AND FALLS

The temps have already started to drop and it's only a matter of time until the snow starts to fly. With the snow and ice, comes slips and falls.

Millions of people visit the emergency room each year due to slip and fall injuries - which also can result in thousands of dollars in medical bills and lost wages for each individual.

If you own a home or business, you'll want to protect yourself from litigation. Be sure to keep your walkway free of snow and ice to prevent people from falling on your property. Keep in mind that fallen leaves can also be a fall hazard, especially when wet.

If you fall and are injured due to negligence, there are steps you should take to document the situation in the event you want to make a claim, including:

- Take photos showing what caused you to fall
- Get contact information from any witnesses
- Report the injury to the owner in writing
- Get prompt medical attention
- Don't sign any authorizations or releases until you consult an attorney

The Law Offices of Ronald J. Resmini can help you determine if you have a claim, as well as prove liability and damages in a court of law. Contact our law firm at 401-444-4444 and we'd be glad to help walk you through the process.
